

# 230L ROLLER BAG -15

28-00851

*A very, very large roller bag for all your gear and some more.*

## FEATURES

- \* One large side pocket with inside compartments.
- \* Expandable with 60 extra liters in the top, making into a 290L black hole for storage.
- \* A pull handle in each end to make it easy to pull it out of a car or other storage place.
- \* Large heavy duty wheels that can be changed if they are broken.
- \* Three windows for owner information, Velcro patch for unit patches.
- \* Large U-shaped flap that can be opened and all the inside is exposed. The flap can be used to stand on, to protect your feet when changing clothes.
- \* The flap can be fully opened so you can stand on it when you change clothes.
- \* Hole bands on the outside where you can attach our Duffel straps, so extra equipment can be lashed on the outside.
- \* The inside is covered with Velcro fabric so insert pouches can be attached.
- \* Two inside zippered compartment.
- \* The inside is supported by a plastic frame to permanently keep the bag upright, so it is easier to work with.
- \* Reinforced bottom with plastic skids and feet.
