

34X100 CM DUAL WEAPON BAG -11

28-00054

A covert, light, safe and flexible bag for storage and transport of sensitive personal equipment.

The idea is that all sensitive equipment is stored in the bag and that it can be locked away as one piece of luggage. This gives you full control over your sensitive equipment

WEIGHT

4500 g

FEATURES

- * The opening is zipped and with velcro band so that the bag is well sealed when closed
- * There are two windows for owner identification on the bag, one each on the top and one of the ends
- * The bag has two carrying handles and one shoulder strap with padding. A concealed backpack carrying system is behind the back plate for when you need to use both your hands
- * The bag is discreet as it does not resemble a weapons bag
- * Under the back panel there is a concealed backpack carrying system when you want to use the bag as a backpack
- S* The bag has two main compartments that each can accommodate one weapon - MP5 or Carbine
- * Many internal compartments for magazines/gun clips, radio, pistol, accessories etc.
- * The partitioning wall that divides the main compartments has several receptacles for magazines/gun clips, weapons cleaning kit and other accessories. The wall is secured with velcro bands and can be removed from the bag to make space for larger items
- * Large outside pocket with inner compartment for pistol and radio with accessories is padded with 5 mm foam to protect its contents
- * The lid can be opened all the way with two parallel zippers.
- * The shoulder strap is detachable
- * The bag is made from hard wearing/durable polyamide coated fabric and is padded with 20 mm plastic foam and protected with 1 mm rigid plastic.
- * The bag is lined with a grey material on the inside which makes it easy to clean and to find things inside as most weapons and accessories are black
